The AGMS Week at a Glance...

Dear Parents/Guardians: ***Pro D Day tomorrow Feb. 15 - no school for students***

Winter Weather: Thank you to all parents for your patience as we tried to get schools re-opened this week. Please remember that during inclement weather local media outlets (e.g., CFAX 1070, 98.5 The Ocean) will typically report on the status of school districts by 6:30 am each morning, and it will also be announced on our District website (www.sd61.bc.ca) by that time each morning as well. We will also do our best to send an email to families if the school is closed due to weather but please use other sources as well.

Middle Years Development Instrument: This Grade 7 student survey will be re-scheduled for next week, due to the snow closures this past week.

PAC Meeting Re-scheduled: Our PAC Meeting that was cancelled this past Tuesday evening due to the snow will be re-scheduled for **Tuesday March 5 at 7 pm** in the Library. Our School Trustee, Diane McNally, will be in attendance, along with the Active and Safe Routes to School Project Coordinator, Kate Berniaz. Kate will be at the meeting to share the findings from the parent survey held last fall, and recommendations from the November walkabout that the committee did. There are key improvements that the District of Saanich will be making to the routes that our students use and areas in our neighbourhood. Thank you to all parents who have been involved in this project, as the results will be a huge safety benefit to our community for years to come!

Rob Parker, Principal
