October 2017

École Arbutus Global Middle School is raising funds for its music program. We have a large music program and offer music instruction to students in Grades 6, 7 and 8. Over 350 of Arbutus students are involved in one or more of the ten music ensembles; three Concert Bands, three String Ensembles, two Jazz Bands, a Choir and a Vocal Jazz Ensemble. We are very proud of our students' commitment and dedication. We try and showcase the talent and energy that our students have by performing throughout the year at assemblies, community events and by participating in music festivals.

One of our fundraisers this year is a Silent Auction that will be held before the Arbutus Global Middle School Poinsettia Concerts on November 29 and 30, 2017. These concerts will feature all of our performance ensembles. We hope to have many prizes and baskets for families to bid on.

We would like your help and support by making a donation to our Silent Auction. We rely heavily on the generosity of businesses like yours to help achieve our goals and better our programs. Your donation will be used in our Silent Auction and every cent raised from your donation will go straight towards our music programs and benefit the students.

All business donors will be acknowledged at the concert and donor names and information will be on the accompanying bid sheet of each prize. Please feel free to contact us with any questions you may have. Thank you on behalf of the Arbutus Music Program.

Sincerely,

Michael Mazza & Jennifer Hill
