MINI TRADES

Want to explore the trades for two days during Spring Break?

WOODWORK * ELECTRICAL * METAL WORK

Learn how to use a router, drill press and more as you construct and design a project that you can take home!

Spring Break 2018- 2 days: mark 1st and 2nd choice of dates

____ March 19th-20th ____ March 22nd -23rd ____ April 2nd-3rd

Student Name: _____

School: _____

Home Address: _____

Parent Contact: email: _____ Home: _____ Cell: _____

Emergency Contact (*other than parent*) Name: _____ Cell: _____

Care Card #: _____

Allergies/Medical Conditions: _____

Program Checklist (please initial beside each point) :

- My student understands that they are expected to behave in a responsible and respectful manner while in the program. Students who are not able to meet this expectation will be asked to leave the program and for a parent to pick them up.
- I understand that my student is to be dropped off promptly at 8:45am and picked up at 3:00pm from the back door of Lambrick Park Secondary School . (*the entrance next to Gordon Head Rec Centre*)
- Students are asked to bring a healthy lunch and water (no energy drinks!). They are not permitted to leave the school campus under any circumstance.
- Students will build a project during the two days. If a student misses the first day, they may not attend the second day due to safety reasons.
