

## February PAC NEWS

1. We have no PAC meeting this month, instead please attend our panel discussion available for parents “**How to help your child navigate social media safely**”.  
Venue: AGMS cafeteria  
Time: 7pm on Tuesday February 13th
2. Our **Board Game Night** is back by popular demand. Please keep March 2nd free. This is an opportunity to attend a family board game night of fun. Details to follow.
3. **The PAC executive is in dire need of parent volunteers.** I am unable to continue as PAC president next year due to new work commitments. We have no Vice-president and will be losing our Secretary onto Mount Douglas Secondary. Please consider how you might be able to support your school PAC. The president’s role might be well suited to a shared position. If we are unable to fill these roles we may lose up to \$9000 in funding from the gaming grant which has requirements for a functioning PAC. This money has gone to support students in sports, music, clubs and school community events. If you are ready to commit or have some questions: [agms.pac@gmail.com](mailto:agms.pac@gmail.com)
