Dear Parents and Guardians,

Would you be ready for an earthquake if it struck today? Are you familiar with the **Student and Parent Reunification Procedures** at your school? Is your child's contact, medical and student release information up-to-date? Do you have a family emergency plan?

On **Wednesday, April 25**, AGMS will be practicing a **Reunification Drill**. Parents will be asked to bring picture ID, and sign their child(ren) out of school between **1:20pm and 2:40pm**. A predetermined, practiced reunification method ensures the reunification process will not further complicate what would already be a chaotic, and anxiety filled situation.

In preparation for this exercise, the PAC will be hosting a **Parent Education Night on Emergency Preparedness** in the school library on April 10 at 7.30pm. PAC meeting at 7pm.

The evening will have presentations on: The School Emergency Plan, Student/Parent Reunification Procedures; and Exercising Your Family Emergency Plan.

We encourage you to attend this very important information night and to participate in the **Reunification Drill** with your school.

Please RSVP agms.pac@gmail.com

Sincerely,

PAC
