All students who attend École Arbutus Global Middle School are invited to participate in the many music classes offered at our school. Students may participate in strings, band and choir. Students willing to be dedicated to more than one ensemble are encouraged to do so (i.e. both band and strings). This is in addition to the music exploratory where all students will explore music of other cultures, ukulele and guitar.

To facilitate scheduling, it is important for us to know which students will be participating in the strings and band programs. For beginners, selection of a specific instrument will be made at a later date. Choir enrollment will take place in September. All parents are asked to complete the form below. If your child attends one of our feeder schools (Frank Hobbs or Campus View) please return this form to your child's classroom teacher. If your child attends a school that does not feed to Arbutus Global, this form can be handed in to the Arbutus Global school office.

Sincerely yours,

Michael Mazza and Jennifer Hill

Music Directors

.....

Child's Name: _____

Current Grade: _____

Parent/Guardian's Name (s): _____

Home Phone Number: _____

E-mail: _____

Current School: _____

Teacher's Name: _____

Do you wish your child to participate in Strings? Yes No

Do you wish your child to participate in Band? Yes No

If experienced, what band or strings instrument does your child play? _____ Years of experience: _____

Choir enrollment is in September. All Arbutus Global students are invited to join our choir. No experience necessary.
