

# The AGMS Week at a Glance...

Dear Parents/Guardians:

**Fit Quest Round 2:** An application form for Round #2 (starting Nov. 22) of the Saanich Recreation/Arbutus Fit Quest Program for Grade 7 and 8 students is attached. This *free* opportunity is available to the first 12 applicants, it happens every Thursday after school for six weeks, and is open only to Arbutus students! Thank you Saanich Rec!

**Remembrance Day:** Thank you to all students and staff who contributed to our Remembrance Day Ceremony yesterday. Congratulations to Juha In and Olivia Stadjuhar who did a wonderful job hosting. Special thanks to Petty Officer 1st Class Patrick Robbins (right) who was our guest speaker from the Canadian Armed Forces, and to school trustee Rob Paynter for attending as well. Thank you to all of you who submitted photos of family members who have served or are currently serving in the military. Mr. Maxwell did a fantastic job putting them all together in a slide show, that was beautifully accompanied by our Summit Strings group. Thank you to Mr. Mazza and Mrs. Hill for all of the moving performances at the ceremony, and to all parents and neighbours who were there as well.

Lest we forget,  
Rob Parker, Principal

Camosun College Trade Program staff were here recently (left) for the *INSPIRE* program for all Grade 7 classes. The program offers a new perspective on skilled trades and technology careers. These presentations use engaging media and hands on activities, giving students the opportunity to use hand tools and practice concepts used in the field of trades. IN-SPIRE presentations are offered to all Grade 7 students in the district. While participating in exciting interactive trades related activities, students learn about trades and technology training pathways available at secondary and post-secondary levels This initiative is offered in partnership with Skills B.C
