Dear parents/guardians,

It is with deep regret that we inform you about a recent loss to our learning community. This afternoon a student from Lansdowne Middle School died suddenly on a school field trip. This loss may raise certain emotions, concerns, and questions for our entire school district, especially our students.

Our School District has a Critical Incident Response Team that has been deployed to support students, staff and families at this difficult time. At Lansdowne Middle School, we have counselors available for any students and staff who may need or want help or any type of assistance surrounding this loss. We encourage you, as parents, to also feel free to use our resources. We have included resources for you in this email.

If you would like additional information or need assistance, please do not hesitate to contact the school administration and counselling supports will be made available through the school.

We are saddened by the loss to our school community and will make every effort to support you and your child as you need.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Shelley Green'.
