

Human Library – Year Two

We know that everyone has a story to tell and are inviting you to tell your story to our students.

Do you have a unique hobby or an interesting job? Are you an entrepreneur, an artist, or do you have a fascinating life story that you would like to share? Arbutus is planning a Human Library Event! We are looking for Human "Books" who would be willing to have a conversation with our students. We are looking to provide a safe environment for the sharing of diverse life experiences, stories and perspectives in order for our students and community to grow and develop an awareness of one another.

We are asking for a couple of hours of your time. Our Human Library Event will take place on Wednesday January 29th at Arbutus Global Middle School. If you are interested in supporting this activity by being one of our Human Books please complete the form. We will get back in touch with you to confirm details.

The format will be in an informal setting where students can approach our "human books" and ask them some questions. We would like this to be a success and are asking for your help and support.
