

## Grade 6 School Based Immunization Clinic

Immunization consent packages for grade 6 students are being sent home. Follow the instructions inside the consent package and return the signed consent form to the school.

Students in grade 6 will be offered immunizations in school-based clinics with the consent of a parent/guardian/representative.

**If you are new to British Columbia, or if you think that public health may not have an up to date immunization record for your grade 6 student, please contact the Saanich Health Unit.**

Public Health is following all provincial recommendations for physical distancing and enhanced cleaning. All school-based clinics will follow these safety measures to help reduce the spread of COVID-19. Contact the Saanich Health Unit at 250-519-5100 if you have any questions.
