

We are excited to announce our Vikes Nation programming for the 2022 spring/summer season.

We will be running a competitive U15 and U17 team that will participate in tournaments across the province throughout the spring and summer.

The U14 and U11 teams will train and compete locally with the potential for day tournaments in Vancouver. There may be opportunities for additional teams based on interest and availability.

Team schedules and costs will be shared at the Jamboree, and all teams will be coached by UVic Vikes coaches, players and alumni. Registration information is available through the links below.
