

**Dear Arbutus Global Parents and Guardians/Caregivers:**

February 23, 2022

During the months of February, March and April, School District 61 (Greater Victoria) is participating in the 2022 Ministry of Education electronic and anonymous Student Learning Survey Project in cooperation with all other school districts throughout the Province.

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

The Student Learning Survey will be administered to students at Arbutus Global Middle School in grade 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school district that focus on local conditions or issues may be included.

Parents/Guardians/Caregivers can complete the online anonymous Student Learning Surveys **any time before 11:59 pm April 29<sup>th</sup>, 2022**, providing immediate results to the school and the district.
