

Hello families,

The current AGMS PAC executive members are nearing the end of their term! We have our our final meeting on May 16, when we need to elect our executive for the 2023/24 school year, including president, vice president, secretary, treasurer, VCPAC representative, members at large. You can see position descriptions in our [by-laws](#).

We have received interest in some roles (though of course more than one person can run). With your help we expect it will be an amazing, supportive and complete executive!

Here's where you come in ...

We are in need of your help to fill a couple of key roles, specifically **vice president** and **co-treasurer**. Our vice president and one of our co-treasurers this year are moving on from the community, and so far no one has stepped forward to fill these positions. Our second experienced co-treasurer is a busy parent of a student soon to be in grade 8, and we are in need of someone to share the role next year and potentially provide transition for the following year. Although neither of these roles are overly taxing, they are vital in the PAC's functioning and require dedicated people who are ready to commit for the year.

How much work is it?

You may be thinking it sounds like too much work, but it's really not! We're a small executive, and we keep things simple.

However, unless parents step up to help we can't provide the extras that enrich our children's middle school experiences. If you are interested in putting your name forward, please contact AGMS.pac@gmail.com.

Thank you,

Claire Bond on behalf of your 2022/23 AGMS PAC executive
