

Arbutus Global Middle School – Our VISION

*Supported by the key features of the middle school model,
Arbutus Global Middle School has a guiding vision encapsulated
in the following words:*

BELONG . . .

We strive to foster an inclusive environment in which we celebrate diversity and all members of our school community contribute to and feel a “sense of belonging”

EXPLORE . . .

We strive to foster an engaging environment in which our students and faculty embrace exploration through curiosity, enthusiastic participation, sustained effort, and open-mindedness

CHALLENGE . . .

We strive to foster a thriving environment in which our students and faculty effectively navigate challenges we encounter through constructive problem-solving and conflict-resolution, as well as seek out challenges through ongoing reflection and goal-setting, all of which furthers resilience and a growth mindset
